

We are delighted to announce that Adam Kenwright has joined us at CVH Management as a Shareholder and Non-Executive Director.

I am thrilled that Adam is investing in CVH Management and whilst I continue to be the majority shareholder, it will be both valuable and exciting to have Adam with me, Amy, Stella and Kate after a very successful year following the most professionally challenging time any of us have ever faced.

I set up the Agency thirty years ago and I am enormously proud of what has been achieved during this time. My priority has always been our Clients and our Team, and now more than ever these priorities remain key to the continued success of our business.

Amy, Stella, Kate and I will continue to run CVH Management and we welcome Adam and what we know will be his invaluable experience and enthusiastic support.

Very best wishes from Team CVH,
Clare, Amy, Stella and Kate
